

## Quick Start Guide to:

### Publishing a Template

The Publish feature allows you to share your Swiftpage templates with other users on your account. This Quick Start Guide will walk you through the steps of publishing a template to another user.

1. Go to [www.swiftpageconnect.com](http://www.swiftpageconnect.com).
2. Enter your account details at the top of the screen and click Submit.
3. Once you are on the Swiftpage Connect Portal, click Template Editor.

The screenshot shows the Swiftpage Connect dashboard. At the top left is the Swiftpage Connect logo. Below it is a vertical menu with buttons for Template Editor, Reports, Call List, Drip Marketing, and Leads. To the right of this menu are buttons for Send Email, List Manager, Surveys, and Social Sharing. Below these is a Resource center section with buttons for Live Demos, Feature Tours, Consultants, Swiftpage Support, Deliverability, and Education Center. On the right side of the dashboard is a 'My Swiftpage' profile section with account details and buttons for Edit User Profile, Manage Account, and Upgrade Account. At the bottom right is a Support Information section with contact details.

4. Click the Publish/Distribute tab.

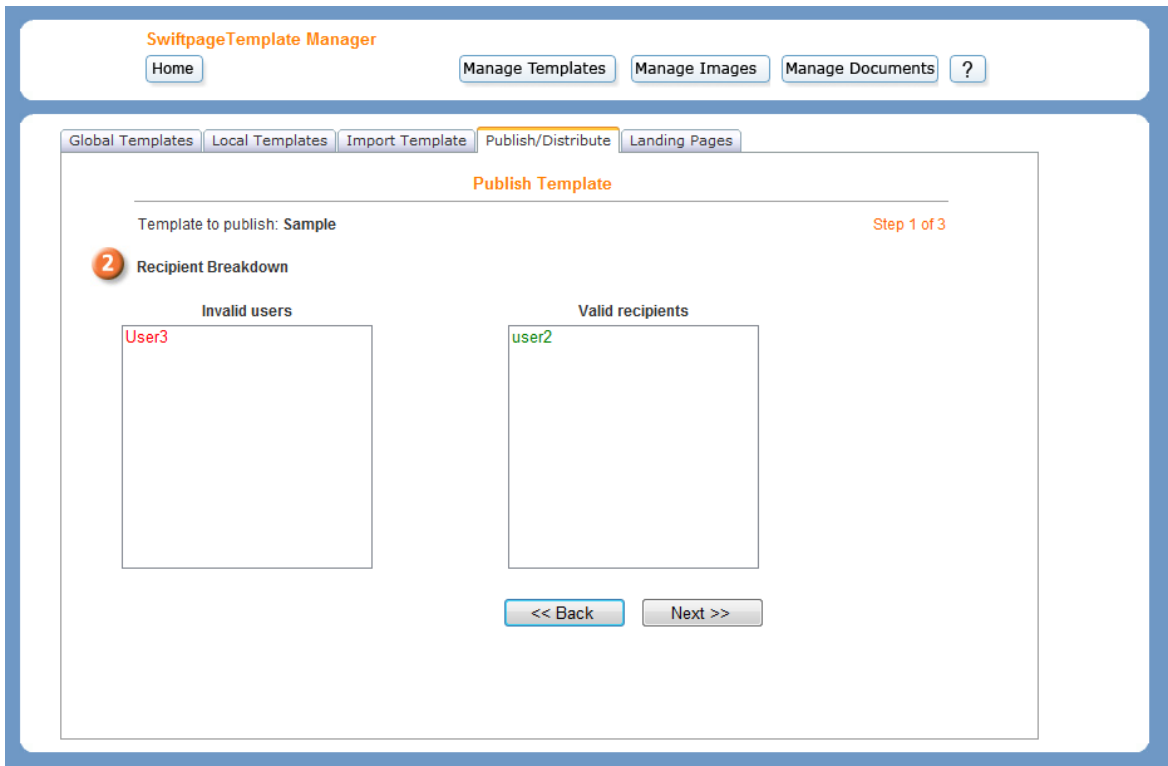

5. Highlight the template that you would like to Publish and then click the Publish button.

6. Select each user that you would like to receive the template and then press the >> button to move them to the Desired Recipients column. Press Next.

7. The system will verify if the selected users are active and provide an overview of the results. Click Next.

8. Check the Publish as read-only checkbox if you would like to ensure that the recipients cannot make any changes to the template. Click Publish.

9. You will receive a confirmation message once your template has been successfully scheduled for publication. Click OK to return to the Publish/Distribute tab.
